Dear Parents and Carers,

Emerald Primary School is looking forward to another great year of teaching and learning and would like to advise you of the school's Curriculum Contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to organise and coordinate rich, extensive programs outside of the traditional teaching and learning programs. We are constantly adding new material for teachers to use to support personalised and quality learning for students in literacy and numeracy.

Our Specialist programs of Visual Arts, Performing Arts, Japanese, Science/Cooking and Physical Education are very engaging, and your financial contributions assist us with the purchasing of varied art resources, musical equipment, experiment materials, ingredients and more.

Your support in 2023 allowed us to:

- Provide high quality programs and specific subject materials and equipment for: English, Mathematics, Science, Art, Music, Inquiry, Japanese and PE.
- Maintain and develop the school grounds.
- Ensure the upkeep of our computer devices to enhance learning opportunities.
- Maintain sufficient class sets of books for students to develop their reading skills.
- Provide hands on maths equipment i.e. measuring materials for teaching purposes.
- Facilitate Literacy and Numeracy online digital subscriptions.
- Deliver a range of sporting equipment.
- Arrange for individual student supplies and class bulk supplies.
